Piedmont Pony League Wins Tournament

AL BOYS PARTICIPATE

by Roy Massie

The Piedmont Pony League posed of teams from burg and Appomattox was ed to participate in an national, double elimination tament sponsored by the rook League, Timberlake Brookville areas, which n July 30th. There were teams in the tournament: brook, Bedford, Madison ghts, Lynchburg and Pied-

In the opening round, mont won 6 - 1 over rook and Lynchburg beat son Heights. Bedford drew bye.

In the second round, Piedmont lost a close one, 1 - 0, to ford as the first batter for ford in the first inning ded first on an error and ond on another error. brook beat Madison ghts, eliminating that team.

In the third round, it took Piedmont 8 innings to defeat Timbrook 4 - 3 to eliminate them from the tournament, Bedford beat Lynchburg to hand them their final loss. This left only three teams in the tournament and Bedford was the only team without a loss.

Due to several games being postponed because of rain, the Piedmont boys found themselves faced with having to play two games on Sunday, August 5th

With already one loss, and knowing that one more would eliminate them, they rose to the occasion by beating Lynchburg 12 - 4 to eliminate that team and came back to beat Bedford 8 - 5 in the second game to force another game on Monday night with Bedford for the champion ship. Again the Piedmont boys rose to the occasion and played Bedford on even terms for 7 innings, 2 - 2, to force the game into extra innings. In the home half of the 8th inning, Dennis Rosser singled for Piedmont and stole second. With 2 men out and Tommy Bryant at bat, Rosser attempted to steal 3rd, the Bedford catcher attempted to out Rosser down at 3rd. But with Bryant, a right-hand batter, taking the pitch and standing in batters box, the catcher's throw to 3rd glanced off Bryant's bat into foul territory enabling Rosser to scamper home with the winning run for the 3 - 2 victory and the Championship.

It was a kind of a double win as the picture will show. The happy players holding the Championship trophy and Bobby Harris, one of the Piedmont pitchers and first baseman, being voted the most valuable player and proudly holding his trophy.

All of the boys made a fine showing. Mitch Eggleston pitched three games and gave up only 6 runs but did not get credit for a win as the first game was lost 1 - 0, the 2nd game was won 4 - 3 in 8 innings and the Championship was won 3 - 2 in 8 innings. Pony League rules do not allow a pitcher to pitch but 7 innings in a game.

The Appomattox County Youth Association is proud to have been a part of the tournament as Appomattox had two teams in the Piedmont Pony League. One team sponsored by Elliott Florist and the other team was sponsored by one of the communities fine citizens.

We of the Appomattox County Youth Association, wish more of you would become interested and active in our activities.

So many of us are concerned about life insurance, retirement or other things that will decide what our tomorrow will be...but let's not forget to show the proper interest in these young men today because the kind of men they become and their actions and interests in the future could very well decide what kind of tomorrow we will have.

Its football season now and we have three teams participating in the Campbell County Little League, so come on out and support these fine boys and let them know you are interested in them.

We thank you so very much for your support in the past.

The Evil Eye

"Eat thou not the bread of him that hath an Evil eye, neither desire thou his dainty meats. Prov. 23:6.

The text and its context advises us that the man with the "evil eye" when he entertains, is grudging every bite that his guests eat. Such a man is greedy, selfish, penurious. He seeks advantage for himself. Sometimes however, his stinginess backfires.

William L. Barclay who is the Book - "By His Spirit" said - In the wheat growing region where I spent a part of my life - it was the custom for farmers to help one another harvest the grain. Each farmer provided the meals - for all who helped with the harvest of his fields. Each farm-wife, when it was her turn to feed the threshing crew, did her best to give the biggest and best meal of all. The tables groaned with the abundance of food. Usually there were so many workers they had to eat in shifts.

On one farm the men who ate at the first table began talking. As young men do about how much they could eat at one meal. They bantered back and forth, but the owner of the farm did not participate in the levity. Finally, in desperate earnest, he said that in his opinion a man should quit eating when there was still room in his stomach for as much food as he had already eaten. It proved to be the wrong remark to make to a group of field hands. The first group stayed at the table and ate until they could eat no more. Word was passed on to the other groups. They followed the same procedure as the first group, and ate all they could hold. The farmer learned a bitter lesson and stopped grumbling about how much the men ate.

It is folly to be stingy about the material things of life. Greedy people are often grumpy, grumbling people. It is possible to be a grumpy-grumbling, stingy kind of Christian, God, by His Spirit, has given each of us a bountiful supply of the bread of life. We can be wonderful children of God, sharing our faith with others, or we can have an "Evil Eye", storing the bread of life in our hearts and minds and doing nothing with it. We can begrudge every minute, every dollar, we give to God's service. The "evil eye" represents the wrong spirit.

May we each day of our lives, give the "Jesus way" - giving our time and service to others.

Sent in by Mrs. Annie R. Fore, PS Secretary for the "Little Friendly Church" on Court St. in Historical Appomattox.
